As we continue to dig into the marks of discipleship and learn how to apply them in our lives, taking a look at Spiritual Disciplines will help reinforce living a life that matters. This year, Pastor Bob will be looking at an exciting study meant to encourage people through Spiritual Disciplines. For the series, we will be using sections of John Ortberg's book *The Life You Always Wanted: Spiritual Disciplines for Ordinary People*. Each week we will look at Spiritual Disciplines through a different lens. The study will include teaching and small group discussion as we begin to unpack the practice of Spiritual Disciplines.

**The topic each week will be as follows:**

**February 22; Ash Wednesday Worship**

**February 29: "The practice of celebration"**

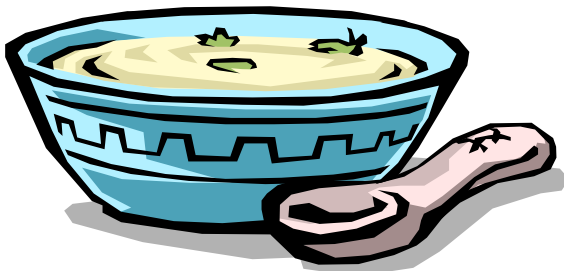

**March 7 : "The practice of slowing"**
